*East Bay - What the future holds...*

Our featured guest speaker for September will be Karen Engel, who will be joining the East Bay Economic Development Alliance (East Bay EDA) as their Executive Director this summer. The East Bay EDA is a public/private partnership serving Alameda and Contra Costa Counties whose mission is to establish the East Bay as a world-recognized location to grow businesses, attract capital and create quality jobs.

Karen, who has held the position of Executive Director of the Oakland Metropolitan Chamber of Commerce for the past 4 ½ years, will share with us East Bay EDA's mission, current accomplishments and will make a presentation of the organization's most up-to-date report on economic trends, indicators and economic forecast for the East Bay.

This event is a not to be missed opportunity that will be a valuable resource for any CREW member
